Traditions and Innovations

Dance Lines by Rubye Del Harden

We've definitely gained experience from producing All Star Dance Camp for the past 16 years. We honor the traditions that our campers have grown to love, like our jacket ceremony on Sunday night and the presentation of Star Camper on Thursday evening. At the same time, we are always looking for ways to innovate and create new and exciting dance adventures - most of which are suggested by you campers and our fantastic staff.

In this newsletter we will highlight a few innovations we are auditioning this year. If you like them, they may become traditions going forward!

Introducing The Official All Star Dance Camp Line Dance

Line dances are not new to camp but we have usually taught ones many campers already knew.

This past year Jason Barnes and Missy Lindsey wondered what it would be like if we had an official All Star Dance Camp line dance. They went home and choreographed exactly that!!

For the very first time the All Star Dance Camp official line dance will be performed during the Wednesday evening party at camp. You can be part of this historic event by attending the classes to learn the line dance each day, Monday – Wednesday at 5 pm.

Ladies Performance Routine Class with Jenell

When watching Jenell dance, campers often comment on all the amazing ways Jenell uses her skirt to paint beautiful pictures while dancing. If you've ever

thought, “I wish I could do that,” this class is for you.

Jenell will be teaching a Ladies Performance Routine Class emphasizing skirt work throughout. The routine is a Waltz choreographed to an all time favorite, *Moon River*. The class meets each afternoon Monday – Thursday and those who wish to perform can do so at the party Thursday evening.

It is important that you have a specific skirt for this class. Jenell has recommended [this skirt](#), available from Amazon for \$19.50. Jenell’s vision is that a wide range of colors will be included in the performance, so pick your favorite color and get ready to work on how well you can use your skirt to accent your dancing!

Performance Routine Class for Men with Jim

When Jim was asked what he thought about teaching a routine class for guys he said, “What a great idea. I’ve been wanting to teach an all guys routine for awhile. I don’t know why I have never done one.

“This summer’s camp is the perfect time and place to do that,” he added.

So guys, get excited! This will be your time to shine in a routine that is designed just for you.

As a reminder, you can always attend a performance class and choose not to perform but performing is so much fun, we hope you’ll decide to perform!
