## Get Ready For A Happy Face Contest

### Wednesday Night

Dance Lines by Rubye Del Harden

Most people start dancing because they see others dancing and it looks like fun. Consequently, the best advertising for social dancing is us having fun on the dance floor! But how often do you see people dancing and they look blank, or they are frowning, or are looking at the floor? Way too often! When we don't look like we are having fun, why would anyone want to start dancing?

Dance camp is a great place to practice showing our happiness while we dance. In fact, on Wednesday night we are going to have a smiling contest called our *Happy Face Contest!* To enter the contest listen for the announcement for when to grab a competition number and then you and your partner be ready to come to the dance floor when we announce the competition. The constants will be judged on who looks like they are having the most fun.

Each table will have at least one couple representing them but can have more than one. So, anyone can enter who wants to. If we don't have enough entries, we will draft some folks. The dance styles will be either Waltz, Foxtrot, East Coast Swing, Cha Cha, or Rumba. There will be prizes. We are not interested in fancy steps. All you have to do to become a finalist and maybe win some prizes is show you are having fun while you are dancing! If you can smile and dance at the same time, you just might win!

It's okay to start practicing NOW. Who knows? Someone just might see you dancing and say, "That looks like fun! I want to do that, too!"
